

Started Dogs Currently Available

I absolutely, positively must "thin the herd" here and made some tough decisions. After much anguish, I have decided to sell the following dogs to approved homes/owners :

Stud dogs:

Moses
Shiloh's Promise Land
½ interest (would co-own with Robert Tomczak) \$600

Retired Dogs inherited from my mother:

Mace
Strider's Mace JH
5/00 Would prefer quiet, patient, women-only home, no kids, no cats or other furry critters \$500 papers signed over after proof of neutering. Fetch obsessed, would fetch until he passes out from exhaustion. Dog-savvy home would work best.

Seven
CH Strider's Seven of Nine JH
5/00 Would prefer to place as only dog with no small children, no cats or other furry critters \$500 papers signed over after proof of spaying
